

Adding Words to Sentence

Directions: Read the sentences below. Fill in the blanks with What, How, When, Where and Why to these sentences.

Quick Logic: Sentences which are ending with question mark will have What, How, When, Where and Why in the beginning. Sometimes these words can be used inside the sentences too.

1. _____ is science so difficult?
2. _____ is Martin Luther?
3. _____ time is it in California?
4. _____ do I get time to go to Bank?
5. _____ do you describe a person?
6. _____ the heat comes; the lakes and ponds dry up.
7. I wonder _____ my friend lives.
8. Genetics explains _____ you look like your father.
9. The town _____ I grew up is in Asia.
10. Now, _____ is going to read me the next paragraph?
